

@UlowaNeuro Notes

December 2022

We have much to celebrate looking back on 2022. This fall the INI hosted the Synapse Workshop with 16 speakers from all over the world, and at the Society for Neuroscience meeting the Friends of Iowa party brought together colleagues from throughout the neuroscience community. I hope we all have an opportunity to rest and recharge during the university break. Meghan, Sam, Mary and I send our best wishes for the new year and look forward to all we will accomplish together in 2023.

Ted
