

@UlowaNeuro Notes

December 2023

Heading into the holiday weekend, I want to thank all of you for a terrific year of Iowa Neuroscience. We've started new programs, welcomed new colleagues, and advanced new discoveries in brain science.

Let's resolve to push boundaries in 2024. Do something unexpected—like wearing a hockey jersey to a basketball game!

Ted with son, Seamus, and wife, Noreen, at Carver-Hawkeye Arena in December
